

What is Hazardous Waste?

Hazardous waste is common in most homes but it's important that we keep it out of our landfills.

EXAMPLES INCLUDE PESTICIDES, HERBICIDES, POISONS, CORROSIVES, SOLVENTS, FUELS, PAINTS, MOTOR OIL, ANTIFREEZE, AND MERCURY AND MERCURY-CONTAINING WASTES.

NEVER PUT HOUSEHOLD HAZARDOUS WASTE DOWN THE SINK, ON THE GROUND, IN A STORM DRAIN OR IN YOUR GARBAGE CAN.

YOU CAN DISPOSE OF THESE MATERIALS DURING OUR ANNUAL HOUSEHOLD HAZARDOUS WASTE EVENT ON OCTOBER 5TH. FOR MORE INFORMATION, EMAIL US AT CUST2043@WCNX.ORG OR CALL 541.367.2535
